digital market

September 07, 2023

The term digital marketing refers to the use of digital channels to market products and services to consumers. This type of marketing involves the use of websites, mobile devices, social media, search engines, and other similar channels. Digital marketing became popular with the advent of the internet in the 1990s. Digital marketing involves some of the same principles as traditional marketing and is often considered an additional way for companies to approach consumers and...
